RULES FOR SUBMITTING

1. **BIDDERS MAY FAX TENDERS** in accordance with the following conditions:
 - a) Transmissions must be sent only to the fax number identified in the Closing Address and Location section of the Bid Form.
 - b) Transmissions must be received in their entirety on or before the exact time and date fixed for the receipt of quotes. For greater clarity, 'received in its entirety' means that all pages of the tender submission, including single page bids, must be fully printed by the receiving fax machine on or before the stated closing date and time, and such tender submissions will not be considered received until all pages of the fax transmission are completely printed.
 - c) It is the Bidder's sole responsibility to confirm with the Buyer that the transmission has been received in its entirety on or before the closing time.
 - d) While the GN will undertake to handle fax submissions in a secure and confidential manner, it is impossible to guarantee the confidentiality of information contained therein; therefore, by faxing their bid, the Bidder waives any legal claim of confidentiality against the GN.
 - e) The GN shall not be held liable for any claim, demand or other actions for any reason should a facsimile transmission be illegible, garbled, incomplete, interrupted, not received in its entirety, received after stated closing time and date, received by any fax machine other than the one stated herein, or for any other reasons or risks associated with faxing tenders.
2. **NEW NUNAVUT TENDERS BID BOX:** The GN is offering vendors the option of submitting bids electronically for some, but not all, tenders and requests for proposals, using the Nunavut Tenders website (<http://www.nunavuttenders.ca>). If this RFT is eligible for the Nunavut Tenders Bid Box, a "Submit" button will appear on the webpage. By using the Bid Box, Bidders are agreeing to the Terms of Use, which are linked to the Nunavut Tenders webpage.
3. Due to limited bandwidth, file size restrictions and connectivity interruptions, Bids submitted by e-mail will not be accepted under any circumstances, and will be rejected as misdirected Tenders.
4. Bidders are required to complete the Bid Form and Declaration of Conformity in their entirety and submit them, and any other required tender forms, to the closing address and location, or fax number stated therein, on or before the closing date and time stipulated on the face of the RFT bid form.
5. Bidders must bid on each and every item listed or the bid will be non-compliant.
6. ~~The GN reserves the right to accept Bids in whole or in part and award separate Contracts based on unit pricing.~~

RFT Goods Tender & Purchase Order
APPENDIX A - INSTRUCTIONS TO BIDDERS

Reference Number

KIV14PJ-3

(please refer to this number when making inquiries)

7. Verbal responses to any question, whether by the Buyer or any other person, shall not be relied upon by the Bidder and shall not be binding on the Buyer or GN.
8. The only authorized contact in relation to this RFT is the Buyer identified in the Buyer Information section on the Bid Form. Questions regarding this RFT should be in writing and received by the Buyer at least 2 working days before the closing date and time. A response to any question received after this deadline is not guaranteed.
9. The GN reserves the right to make any amendment to this RFT at any time prior to the closing date and time, including amending the specifications and the closing date and time. In such an event the Buyer will endeavour to formally notify all Bidders by way of an addendum, or other reasonable means, as soon as practically possible prior to the tender closing date and time.
10. Unless otherwise stated, equivalents to the items detailed in this document are encouraged. Where materials are required to conform to "Standards Specification" (i.e., CSA, CGSB, ASTM), or are described by a trade name, model or manufacturer, this is for the purpose of establishing and defining the nature and minimum quality acceptable and is not meant to prevent Bidders from offering alternative goods; nor does it preclude the GN from considering or accepting alternatives.
11. Bidders should provide, along with the Declaration of Conformity, all documents that clearly show that the alternative(s) offered are equal to, or exceed the standards specified. The GN, in its sole discretion reserves the right to determine whether the alternative is compliant or not.
12. Where a "trade-in" is tendered in lieu of a specified item, it shall be identified in the Declaration of Conformity Bid form and the amount of credit offered for the trade-in must be stated separately from the quote offer for the required item(s). Trade-ins or alternatives may not necessarily be accepted. Bidders should question the Buyer in accordance with these Instructions.
13. In the case of an RFT for Mobile Equipment, the GN has relied on information provided by manufacturers to develop a specification for equipment with a specific purpose. Should the Bidder determine that any option, specification, attachment or accessory is either not available or not recommended, then the Bidder should advise the Buyer prior to the closing date and time.
14. Goods or equipment requested in this RFT shall be protected by a minimum twelve (12) month manufacturer's warranty and the GN shall be the direct beneficiary of such warranty; therefore, Bidders are required to submit the particulars of all warranties as part of the Bid. Failure to provide warranty details, including costs, information on service depot, field and remote location, crew and service capabilities may result in the Bid being disqualified.
15. One of the priorities of the GN is to ensure that Nunavut, Inuit and Local materials, equipment and labour are used in GN contracts; therefore, the "Nunavummi Nangminiqatunik Ikajuuti (NNI Policy) applies to this RFT. The NNI Policy permits Nunavut, Inuit and Local adjustments to the bid amounts of companies listed in the GN's NNI Registry (www.nni.gov.nu.ca/search/) or in the NTI Inuit Firm Database (<http://inuitfirm.tunnngavik.com/search-the-registry/>). For the purposes of ensuring the correct bid adjustments are applied, Bidders should indicate their NNI and NTI Registration Numbers on the RFT Bid Form.
16. The Bidder warrants that its bid was submitted without collusion between itself and any other Bidder.
17. The GN's "Access to Information and Protection of Privacy Act (Nunavut) S.N.W.T. 1994, c. 20" (the Act) will define the GN's responsibilities with respect to any information received by it pursuant to this RFT process. Subject to the Act and any applicable law, tenders and all related information shall be treated as confidential and shall not be disclosed to any person except with the consent of the Bidder or Supplier and to the extent disclosure is required to fulfill obligations under this RFT or pursuant to any applicable law.
18. The GN's contracting activities are undertaken with public funds, and are therefore subject to public reporting requirements. Annually, the GN releases a detailed Procurement Activity Report (PAR) which identifies the winning Bidder, the Purchase Order award method and award value along with other pertinent information.
19. Bidders may amend or withdraw their tender submission at any time before the stated closing date and time but not after. Amendments may be submitted by facsimile transmission in accordance with the provisions of rule 1 above, and should indicate only the applicable changes in such a manner that the total bid price is not revealed. **If bidding via the Nunavut Tenders Bid Box is permitted, Bidders may upload a revised Bid.**
20. Late, incomplete or misdirected Bids will not be accepted.

21. The GN is not liable for any costs of preparation or presentation of any Tenders. All Bids and accompanying documentation received by the GN in response to this RFT shall become the property of the GN and will not be returned.
22. Notwithstanding any other provision, a Bidder who submits a Bid in response to this RFT agrees that the GN's liability for any claim for damages or compensation of any kind related directly or indirectly to a breach of contract or other cause of action arising from this RFT process, shall be limited to the Bidder's actual Bid preparation cost. Bid preparation cost is the actual cost borne by a Bidder to prepare and submit its response to this RFT. By submitting a Bid to this RFT a Bidder acknowledges and accepts this limitation.

SHIPPING AND PRICING

23. Prices must include all charges for containers, packing and cartage to the FOB point and the GN shall not be bound to pay any additional separate freight or shipping charges not identified in the bid.
24. The Bidder will, where applicable, accurately state the gross shipping weight, as well as the height, width and length of any shipment, in metric terms.
25. Where one or more FOB points are identified in this RFT, prices and costs must be shown separately for each stated FOB point.
26. Freight rates shall be consistent with the GN's contracted air freight and sealift rates which are available from the Buyer on request. For goods requiring marine transportation, the sealift freight rates contracted by the GN with sealift carriers apply. For goods requiring air transportation, the GN's Standing Offer rates with air carriers apply. If additional information is required, it should be requested from the Buyer in accordance with the instructions herein.

EVALUATION AND AWARD

27. It is a condition of this RFT that any resulting contract award hereunder is subject to section 46 of the Financial Administration Act, as amended, which provides as follows:
"It is a condition of every Contract made by or on behalf of the government requiring an expenditure, that an expenditure pursuant to the Contract will be incurred only if there is a sufficient uncommitted balance in the appropriated item for the fiscal year in which the expenditure is required under the Contract."
28. Bids shall be opened as soon as practicable after the stated closing date and time. Bids may be opened at a public opening in which only the Bidder's name and price, amendments, and where applicable, bid security will be announced. Thereafter, Bids will be evaluated based upon the price, the responsiveness of the tender, the responsibility of the Bidder, and application of the GN's NNI Policy.
29. Bids received by the GN on time shall, upon the closing date, remain valid, irrevocable and open for acceptance by the GN for a period of ninety (90) days.
30. The GN does not accept any condition, reservation, customary or otherwise, subject to which the Bidder may purport to sell, ship or deliver the goods other than those stated herein.
31. The lowest or any tender may not necessarily be accepted. If a Contract is to be awarded as a result of this RFT, it will be awarded to a compliant Bidder who is responsible, and has submitted a bid that after application of price adjustments permitted by the NNI Policy, is lower than that of any other Bidder.
32. The GN reserves the right to make adjustments to a Bid following bid closing in accordance with the NNI Policy by taking into account any information that will assist it in doing so, including by taking into account information obtained from the NNI Business Directory maintained by the NNI Secretariat and the Inuit Firm Registry maintained by NTI. For greater certainty, if the GN determines that a bidder should, or should not, receive a bid adjustment pursuant to the NNI Policy, it can adjust the evaluation of the bid accordingly.
33. The GN reserves the right to accept or waive any minor informality or minor non-compliance with these Instructions to Bidders or other requirements; however, a substantial or material non-compliance shall not be waived.

34. The GN reserves the right to cancel this RFT at any time during this process, and to revise and re-issue new or similar requirements thereafter, for any reason whatsoever, without incurring any liability; and no Bidder will have any claim against the GN as a consequence.
35. Where the total Bid price is determined by unit pricing and estimated quantities, the Bid will be evaluated on the unit prices and estimated quantities rather than the total Bid price. The total bid price will be verified by the Buyer to confirm there are no mathematical errors in the Bidder's calculations. In the event of an error or discrepancy, the unit prices shall govern and the total Bid price shall be based upon the corrected mathematical calculation. The nature of the error will be considered in evaluating whether the bid is compliant.
36. The GN reserves the option of requesting complete details of the Bidder's warranty particulars and service capabilities. Failure to provide information sufficient to satisfy the requirements of this RFT may result in the Bidder bid being deemed 'Not Responsible' and disqualified from further consideration.
37. A Bidder found to be lacking the responsibility or capability to assure proper performance of the Contract, or delivery of the goods, may be deemed 'Not Responsible' by the Contracting Authority for the purposes of this RFT. A Bidder who has defaulted on a Purchase Order for similar goods within the last twelve (12) months may also be deemed Not Responsible by the Contracting Authority and prohibited from future RFTs until such time as the Bidder can satisfy the GN that it has corrected all documented deficiencies and grievances against it.
38. The Electrical Protection Act, R.S.N.W.T. (Nu.) 1988, c. E-3 (Nunavut) prohibits the sale, installation or use of uncertified electrical products in Nunavut. Therefore, any items or products provided by the Supplier that are electrical in nature or that are operated by electrical energy or contain electrical components must be certified by the Canadian Standards Association (CSA).

 - c) to hold back, in whole or in part, any payment due or becoming due to the Supplier without penalty, liability or expense in the event the Supplier is, in the opinion of the GN, failing to perform its obligations under this Contract; until such time as the breach is cured to the full satisfaction of the GN.
